Six Thinking Hats

How it works

This website hosts two services:

- A course on the Six Thinking Hats led by a trainer in person or via video call.
- The "My Thoughts" program that structures how you apply the Six Thinking Hats to topics of your choice.

Access for 1 year can be purchased from our [training partners](#).
Our training partner will provide you with a pass key.

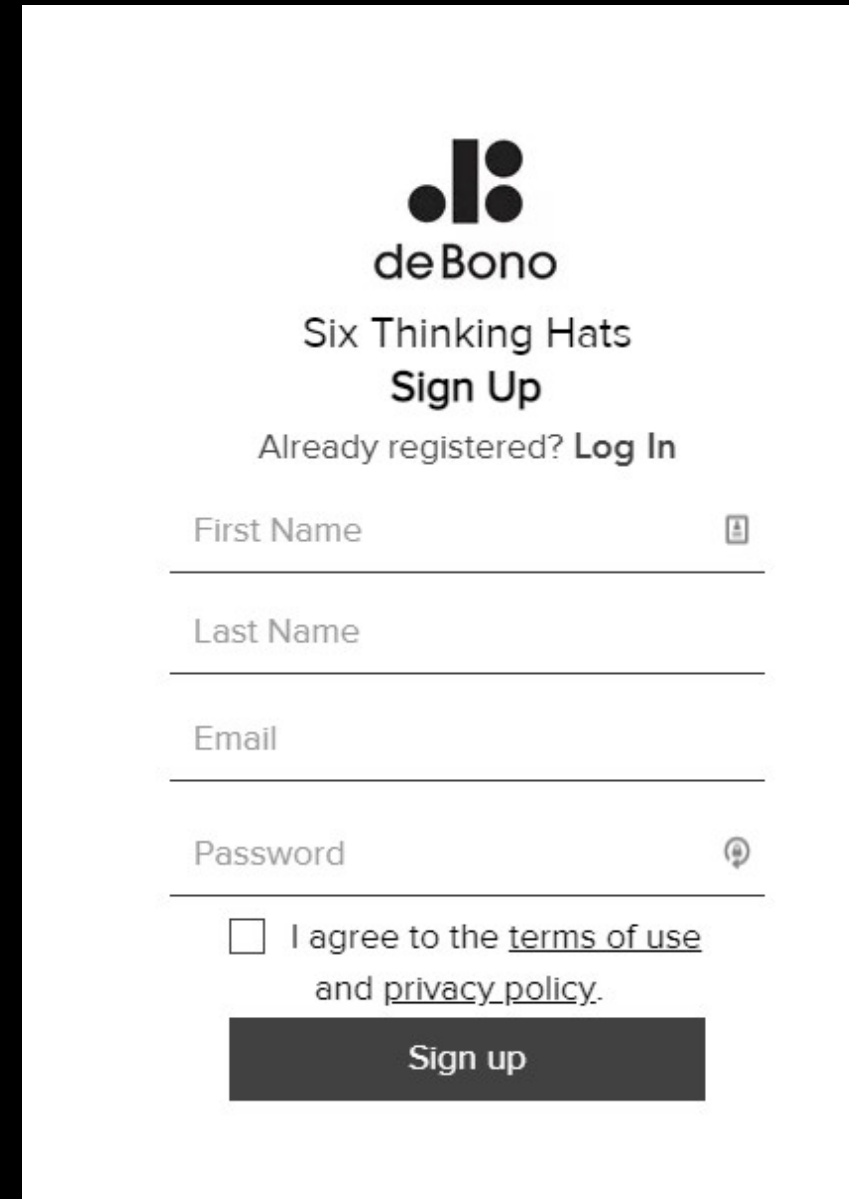

If you have the pass key then please press start. You may first be asked to sign up by creating a user name and password.

3. If this is your first visit, you will be asked to Sign Up.

Please use a password that is known only to you.

If this is a return visit you will be asked to **Log In** with the Email and Password you used to Sign Up, or the browser will remember you, and you will get immediate access to the course.

The image shows a sign-up form for 'deBono Six Thinking Hats'. At the top is the deBono logo, which consists of three black circles of varying sizes arranged in a triangular pattern. Below the logo is the text 'deBono' in a bold, sans-serif font. Underneath that is 'Six Thinking Hats' in a regular weight, followed by 'Sign Up' in a bold weight. A link for 'Already registered? Log In' is positioned below the sign-up text. The form contains four input fields: 'First Name' with a small icon to its right, 'Last Name', 'Email', and 'Password' with a small icon to its right. Below the password field is a checkbox followed by the text 'I agree to the [terms of use](#) and [privacy policy](#).'. At the bottom of the form is a dark grey button with the text 'Sign up' in white.

4. Please complete the form.
